

# Mantis<sup>XP</sup>

TILLER/CULTIVATOR

## EXTREME Performance

Busting sod, breaking hard soil, taming raw terrain for productive planting... These are tough jobs demanding extreme performance

### MANTIS XP – A TILLER LIKE YOU'VE NEVER SEEN

- 16" width – Wider swath makes it faster to create a garden or prepare an existing one for planting.
- Tills down 10", chops through tough sod or hard clay soil as easily as sand and muck.
- Patented Serpentine Tines – Spin at up to 240 RPM and are guaranteed for a lifetime against breakage.
- Get more done in less time!
- 4-cycle 35cc engine powered by Honda® spins the tines twice as fast as other tillers.
- Gear Box – One-piece cast gear box is virtually indestructible.
- 4-Cycle engine requires no mixing of oil and gas, is easy to start, and is a little more quiet than a 2-cycle engine.
- Speed Control and Shut-Off Switch: Both right at your fingertips. Allows variable speed control and quick shut-off.
- Comfortable Grips: Control is at your fingertips. Comfortable even when using the tiller in rocky soil!
